DO Include:

- Yourself
- Your spouse
- Your children under 21 who live with you
- Your unmarried partner who needs health coverage
- Anyone you include on your tax return, even if they don't live with you
- Anyone else under 21 who you take care of and lives with you

You DON'T have to include:

- Your unmarried partner who doesn't need health coverage
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 21)
- · Other adult relatives who file their own tax return

We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.
